

Help prevent the spread of COVID-19

Wash your hands often with soap and water for 20 seconds. If soap and water aren't available, use an alcohol-based hand sanitizer.

Wash your hands:

- When you arrive at work
- Before and after going on a break
- After using the washroom
- After handling cash or other materials that have come into contact with the public
- Before and after handling shared tools and equipment
- Before and after using masks or other personal protective equipment
